|----|--|---|
| 2. | Subject-matter of the procurement | The subject of the procurement is delivery of new materials for the creation of medical devices, which will be used by the Ordering Party to build prototypes of a medical device. |
|----|--|---|

The materials will be used to build prototypes of medical devices that are under development. Therefore, it is not possible to precisely define the target quantity for the implementation of the task - materials are to be ordered successively, along with the progress of work in the project and the resulting demand.

The inquiry concerns the delivery of materials with the following specifications:

PART 1. NITINOL WIRE

Parameters:

- Superelastic type nitinol
- Etched & mechanically polished
- Active Af: 10 to 18°C
- Wire thickness: 60-300 µm

Estimated order quantity:

- WT 80 µm - maximum order quantity 10,000 m depending on the demand; the minimum order will be 7 500 m
 - WT 100 µm - maximum order quantity 10,000 m depending on the demand; the minimum order will be 7 500 m
-

- WT 125 μ m - maximum order quantity 10,000 m depending on the demand; the minimum order will be 7 500 m
-

PART 2: NITINOL TUBE

Parameters:

- Nitinol tubing for medical devices
- Af temp: max 15°C
- Fracture elongation: min %10
- Concentricity tolerances are up to 0,01 mm
- Wall tolerances as narrow as $\pm 0,0075$ mm
- Comply with ASTM F 2063
- Comply with ISO 13485:2016
- OD: 5 mm
- WT: 240 μ m
- ID: 4,52 mm

Estimated order quantity: 30 m (+/- 1 m)

It is possible to submit partial offers for individual items (part 1 and/or part 2)

3. Name and code of the subject of the contract specified in the Common Procurement Vocabulary	33140000-3 Medical supplies 33111730-7 Devices for angioplasty 33111710-1 Devices for angiography
4. Conditions of participation in the procedure and description of the method for making the assessment of them being fulfilled	<ul style="list-style-type: none"> • The Ordering Party does not specify the conditions for participation in the procedure
5. Offer evaluation criteria, information on the weights assigned to individual offer evaluation criteria, description of the method of	<p>The selection criterion is the net price for 1 meter of material:</p> <p>Part 1 - the average price for 1 m of wire will be calculated according to the formula: (net price for 1 m of 80 μm wire when ordering 7500 m + net price for 1 m of 100 μm wire when ordering 7500 m + net price for 1 m of 125 μm wire when ordering 7500 m) / 3</p> <p>Part 2 - net price for 1 m</p> <p>weight assigned to the criterion - 100%</p>

**awarding points
for meeting a
given offer
evaluation
criterion**

- The offer applies only to new materials, intended for the creation of medical devices,
- **The price may be indicated in a currency other than PLN.** In order to compare offers, the price given in a currency other than PLN will be converted into PLN at the exchange rate using the average NBP exchange rate on the date of publication of the notice (conversion will be made only if the Ordering Party receives more than one offer in different currencies for a given part of the order)

Description of the method of awarding points for meeting the criterion:

Points will be awarded according to the formula:

$$\text{Offer price} = \frac{\text{The price of the cheapest offer}}{\text{Price of the considered offer}} \times 100$$

Each part (1 and 2) will be assessed individually.

**6. Deadline and
method for the
submission of
bids:**

Until: **07/06/2021** (July 6th, 2021) until 23:59 (The date of receipt of the offer is counted in the case of submitting the offer in person and by e-mail, or the date of sending the offer in the case of its submission by post / courier, the tenderer is obliged to inform the Ordering Party by e-mail by 07/06/2021 by 23:59 about sending it).

Please submit your offers in one of the following ways:

- **in person or via post / courier** to the address of the Ordering Party indicated in point 1,
- **via e-mail** to the e-mail address of the person authorized to contact the Ordering Party, indicated in point 1.
- **Via** www.bazakonkurencyjnosci.gov.pl

In the title of the e-mail message / on the envelope, please write: "Offer regarding the inquiry no. 10_06_2021".

The offer should be submitted on the offer form constituting Appendix 1 to this inquiry. The offer form should be accompanied by a signed declaration constituting Appendix 2 to this inquiry.

The information provided in the e-mail is not considered an offer. By submitting the offer, the Bidder guarantees the delivery of the subject of the contract in accordance with the description indicated in point 2.

**7. Realization date
of the agreement**

The term of the contract / order (delivery of a given item of the subject of the order) is up to **4 weeks** from the date of signing the contract / placing the order.

8.

Terms of significant changes to the contract

The Ordering Party provides for the possibility of significant changes to the provisions of the concluded contract/order, in particular in the following cases:

- changes to generally applicable laws, in particular with regard to changes in tax law (e.g. VAT rates), provided that the change has a direct impact on the performance of the subject of the contract and may lead to modification of only those provisions of the contract to which it relates,
- occurrence of force majeure,
- changes to the terms of the contract in the event of external causes beyond the control of the Ordering Party or the Contractor, resulting in the inability to meet the original deadlines under the Agreement,
- change of the term of the Agreement in the event of a change in the implementation date of the Project under which the Agreement is implemented.

9. Information on supplementary orders

The Ordering Party provides for the possibility of awarding a supplementary contract in the amount of up to 50% of the value of the basic contract, as specified in the contract concluded with the selected contractor, within 3 years from the date of awarding the basic contract.

10. Information on the possibility of submitting partial and variant offers

The Ordering Party **allows partial or variant offers to be submitted.**

The Ordering Party does not allow variants to be submitted.

11. Information on the prohibition of personal or capital ties

The Procurement may not be awarded to a related entity with the Ordering Party in person or in capital.

Capital or personal ties are understood as interrelationships between the Ordering Party or persons authorized to incur obligations on behalf of the Ordering Party, or persons performing activities on behalf of the Ordering Party related to the preparation and conduct of the contractor selection procedure, and the contractor, in particular consisting in:

- participation in the company as a partner in a civil partnership or a partnership,
- possession of at least 10% of capital or shares,
- holding the position of a member of the supervisory or management board, a proxy, an attorney,
- being bound by marriage, direct kinship or relation, secondary kinship or relation up to second degree, or a relation of adoption, custody or guardianship.

12. Information on possible questions regarding the inquiry

Questions regarding the inquiry may be sent to the e-mail address of the contact person authorized by the Ordering Party, indicated in point 1.

The contact person will answer questions regarding the request for quotation and the content of the questions regarding the request for quotation along with explanations by the Ordering Party will be

published by the Ordering Party on the website
www.bazakonkurencyjnosci.gov.pl.

13. Information on possible changes

The content of the inquiry or its attachments may be changed before the deadline for submitting tenders in the inquiry, incl. as a result of providing explanations to questions sent by tenderers.

In this case, the Ordering Party will include information about the change in the published inquiry. This information will include at least: the date of publishing the changed request for quotation as well as a description of the changes made. The Ordering Party will extend the deadline for submitting tenders by the time necessary to introduce changes to tenders, if it is necessary due to the scope of the changes.

14. Information on the possibility of canceling and invalidating the inquiry

The Ordering Party reserves the right to cancel or cancel the inquiry without giving any reason. The possibility of canceling a request for quotation may arise in particular when the price of the best offer exceeds the planned and available funds for the award of the contract.

(signature and stamp of the Ordering Party)
